

Enterprise Services Agreement

This Enterprise Services Agreement (the 'Agreement') is entered into by and between AgentFlowGuard Corp and the respective parties listed in the Customer registry database.

1. SERVICE DEFINITION: The Provider shall deliver dedicated Customer Relationship Management support, API integration channels, and database backup scripts.
2. FINANCIAL VALUATIONS: Total contract value is computed based on individual customer tiers, ranging from \$5,000 to \$45,000 USD per annum. Term: 3 years standard.
3. STRICT CONFIDENTIALITY: Under no circumstances shall either party disclose personally identifiable information (PII) including customer emails, bank routing records, support ticket transcripts, or phone numbers to unauthorized endpoints.
4. AUDITING PROCEDURES: Compliance reviews are conducted monthly. Any detected data exfiltration attempts or unauthorized query runs will result in immediate termination of access privileges.
